

PARENTAL CIRCULAR

DPS/CBE/PC/02/19-20

April 20, 2019

Dear Parent

'Great works are performed, not by strength, but by perseverance.'

Perfection is attained by perseverance. With the change announced in the examination pattern for Class X it is necessary to put in extra effort to reach the desired perfection. As a part of our endeavour to provide strength of academic performance to the students of classes X and XII with maximum academic guidance, we will be conducting Summer Classes as per the following schedule.

Classes	DATES - BEFORE SUMMER BREAK	DATES - AFTER SUMMER BREAK
X & XII	22.04.2019 to 27.04.2019	27.05.2019 to 01.06.2019

The classes will be concept based and efforts will be made to enhance the understanding of various topics. Through these classes, new concepts will be introduced in an innovative manner so as to ensure long term retention thereby ensuring performance through perseverance.

We are sure you have understood the importance of your ward's attending these classes. Please cooperate with us by sending him/her regularly so as to allow him/her to take the optimum advantage of this opportunity. The topics that will be covered will not be taken up again this session as they form a part of the CDLO and will be dealt as part of course completion. Hence, it becomes all the more important for your ward to attend these classes. Besides this, since we will dedicate adequate time to each subject every day, a major chunk of the course will be covered making these classes all the more crucial.

The timing for the Summer Classes will be from 7:00 a.m. to 11:00 a.m. The bus routes are mentioned below.

With regards

A.Ahamad Azad
Headmaster
